University of Energy and Natural Resources BSc. Medical Laboratory Science - Present
Presbyterian Boys' Secondary School (PRESEC) General Science (WASSCE) - Completed

EXPERIENCE

INTERNSHIP – KORLE-BU TEACHING HOSPITAL / POLYCLINIC, ACCRA

October 2025 – December 2025

Completed a comprehensive 2-month internship rotation at Korle-Bu Teaching Hospital and Polyclinic, gaining diverse laboratory experience across three key departments:

Child Health Department (1 month) – October to November 2025

- Collected and processed patient samples accurately
- Assisted scientists and researchers with experiments and procedures
- Performed routine maintenance tasks including cleaning, lubricating, and replacing parts
- Conducted regular inspections to identify potential equipment issues

Blood Bank (2 weeks) – November 2025

- Assisted with blood grouping and cross-matching procedures
- Supported blood storage and inventory management
- Maintained sterile environment and followed safety protocols

Pathology Department (2 weeks) – November to December 2025

- Assisted in specimen preparation and analysis
- Supported pathologists with routine laboratory tasks
- Maintained accurate records of laboratory results

PREVIOUS INTERNSHIP EXPERIENCE (2024)

Korle-Bu Polyclinic, Accra – November to December 2024

- Managed the laboratory's front desk and waiting area
- Scheduled appointments and arranged meetings
- Greeted visitors and answered phone calls professionally

Korle-Bu Teaching Hospital, Child Health Department – October to November 2024

- Collected and processed samples
- Assisted with experiments and routine maintenance tasks
- Supported daily laboratory operations
